Guerlain Eau Imperiale

Guerlain is a French perfume, cosmetics and skincare house which is among the oldest in the world.

This amazing scent was created in 1853 as a unisex scent for Empress Josephine and Napoleon. The top notes are Bergamot, Neroli, Verbena, Lemon and Orange, heart notes are Lavender and base notes are Cedarwood and Tonka Bean.

Please note this fragrance needs brand approval before being placed on any yacht or villa.

L'Occitane Amande

Soothe your body and mind with the radiant power of Provençal almonds. Iconic asset of the south of France, our almond trees blossom with clouds of white flowers that drift on our warm breeze.

Deliciously addictive and wonderfully sensual. The creamy, tender and silky textures provide long lasting softness and melt into the skin. A pleasure for all senses!

Clarins Spa

Clarins is a company defined by its unique expertise in plants and respect of biodiversity. Using only the best ingredients in their optimal concentration and combining nature, science and innovation to always create more efficient and distinct products. At the core of the philosophy lies a sense of responsibility for all people, our planet and nature. The products in the Guest Toiletry line reflect this belief and should give an experience of a day in the “Clarins Spa”, relaxing, cocooning and reviving. Clarins is the French family brand that reveals the natural beauty of women and men across the globe. The scent of this special line for guests is made up of ingredients of citrus, patchouli, white thyme and rosemary, both suitable for men and women alike.

Espea

Creator of the world’s finest spas, Espea has pioneered the science of natural beauty in a potent collection of radically effective formulations.

Using only the very purest extracts, Espea biochemists distil active ingredients into products that keep their promises.

At Espea, the brand is guided by a holistic philosophy, caring for the whole well being, focusing on creating natural care for face and body that could deliver both instant benefits and also work beneath the skin’s surface to protect the long term health and beauty of the skin. Scientific power is combined with purest natural ingredients to deliver the best products for skin and inner calm.

For instant, longlasting results, every day...

Bamford

Bamford is a philosophy more than a season fashion label. Sourced from the passionate convictions of the founder Lady Bamford about natural products and artisan manufacture, Bamford means the simple pleasure of contact with absolute quality. Since 2006, the philosophy has created timeless cloth from the finest fibres and the purest body care from botanical ingredients for people who look after their whole body wellbeing. Here is the authentic luxury: serene, timeless, subtle and pure.

Sothy's

Sothy's is a world of extremely refined emotions and sensuality, a legendary name that represents excellence and prestige in beauty institutes and spas all over the world. The Guest Toiletry line is a complete range in line with contemporary expectations and well being. Sothy's products always combine sensoriality and pleasure, through finely developed fragrances and textures with effectiveness.

Nuxe

In the 1990's Aliza Jabes studies in Paris led her to discover Nuxe, a small formulation laboratory which she decided to make a springboard for a brand that would bring together nature and luxury. Her philosophy was to bring ultra feminine skincare which would be based on a pharmaceutical approach. In 2007 and 2011 Ms Jabes was awarded the INPI trophy for innovation. The guest toiletry line is only one more step in the innovation and philosophy to bring well being to all guests of luxury hotels, yachts and villas.

Anne Semonin

The Anne Semonin concept is simple: an aromatherapy line, a methodology and a spa environment. This trilogy allows for a holistic approach to beauty perfectly suitable for men and women. Their ambition is to extend across the world a certain idea of "Haute Couture" beauty, a byword for French made-to-measure elegance. The secret: trace elements, made more dynamic by essential oils in a marine or botanical active ingredient base which are used in a personalised "customised" treatment for the guest aboard.

Elemis White Lotus & Lime

The luxury British skincare and spa brand delivers clinically trialed therapies and products for face and body. The experience is exceptional, the results are real. With every new product launched and every spa therapy performed, The Elemis goal is to address specific skin and body conditions using potent formulations that dynamically treat the skin with powerful results.

This collection stands for an exquisitely indulgent experience with pampering and freshly scented formulations infused with uplifting notes of Lime and enriched with delicate White Lotus extract.

Elemis Revitalise Me

Elemis is one of the leading luxury British Spa brands that combines active natural ingredients with cutting edge technology to create a perfect synchronicity in their products. The “Revitalise Me” guest amenities collection contains unique formulations to re-awaken the senses whilst dramatically caring for the body by utilising the purest ingredients from nature. The Elemis range introduces a touch of spa luxury and indulgence into the bathroom with ingredients of thyme, basil and neroli - awakening the body and senses whilst being gentle to skin and hair.

La Prairie Travel Skincare

In a quest for ageless beauty and infinite luxury, La Prairie goes beyond ordinary skincare to intercept ageing at its source. Their exquisite cellular creams, serums and treatments as well as the skincare lines perform with unparalleled refinement and results. This commitment to exceptional skincare treatment has made La Prairie the choice of the world's most discerning women and men. Experience the promise of timeless beauty fulfilled.

Ligne St Barth

The skincare products of Ligne St Barth are exclusively manufactured on the island of St Barth and contain all the active ingredients of the plants, fruits and flowers of the Caribbean from which they are extracted. Their texture and fluidity have a natural affinity with the epidermis. Every Ligne St Barth product complies with the international cosmetic regulations and they are PABA free, not tested on animals and approved by dermatologists. Treat yourself to a day in the Caribbean with your private Ligne St Barth spa.

Korres

Greek pharmacist George Korres founded the Korres brand based on his passion for capturing the best of nature. Inspired by the most powerful natural ingredients and traditions of Greece, Korres delivers clinically proven results with formulations that reflect a meticulous attention to detail that is the heart of everything they do. The Korres guest toiletries are products that appeal to the senses and give an overall feeling of wellbeing, enhanced and enriched by the best that nature can offer - these products will “inspire and make you smile”

Sodashi

Wholeness. Purity. Radiance. That’s the meaning of the sanskrit word “Sodashi” and it perfectly describes the values by which all of the chemical free skincare products and spa therapies are created. Sodashi products and spa treatments are unparalleled in performance and purity, employing only the therapeutic grade, ethically sourced essential oils and plants to effectively heal and nurture. From seed to shelf, Sodashi remains true to its name, dramatically regenerating the skin and imparting a deep sense of wellbeing to the mind.

Cowshed

From humble beginnings, Cowshed has evolved into a holistic range of products and treatments all bound together through their continued use of natural botanicals from sustainable resources containing the highest quality essential oils.

On top of this all Cowshed guarantees:

No Parabéns (preservatives)

No Petrochemicals (petroleum bi-products)

No Sulphates (artificial foaming agents)

No Animal Ingredients (except a bit of organic beeswax and wildflower honey)

No Artificial Fragrance, colours or animal testing

Dermalogica

Dermalogica is the skin care system researched and developed by The international Dermal Institute. Known worldwide as the “professionals choice”, Dermalogica is founded on the belief that good skincare is not about pampering or luxury, any more than brushing your teeth or washing your hair is.

The brand believes that consumers want results, not frilly packaging or overblown hype.

This steadfast philosophy has grown the brand now sold in over 40 countries around the world.

Natural Remedies

As a modern interpretation of old craftsmanship, Natural Remedies unites minimalistic design, proven plant ingredients and select formulations with a modern fragrance of sparkling bergamot, fresh fig and comforting cedar wood. Organic grade extracts of sage, a plant known since hundreds of years for its healing properties, combined with either nettle, known for its stimulating benefits, or black currant, rich in vitamin C, round up the formulations. Discover the best of past and present days with Natural Remedies.

L'Occitane Mer et Mistral

Reminiscent of a summer's day at the beach this collection is truly Provençal - uniting Mer, the ocean with Mistral, the famous wind that blows through the South of France. The vivifying and invigorating fragrance blends fresh and aquatic notes with an aromatic accord of pine, cypress and rosemary.

Head notes: Citrus, Mandarin

Heart notes: Pine of Alep, Cypress, Rosemary

Base notes: Cedar, Amber, White Musk

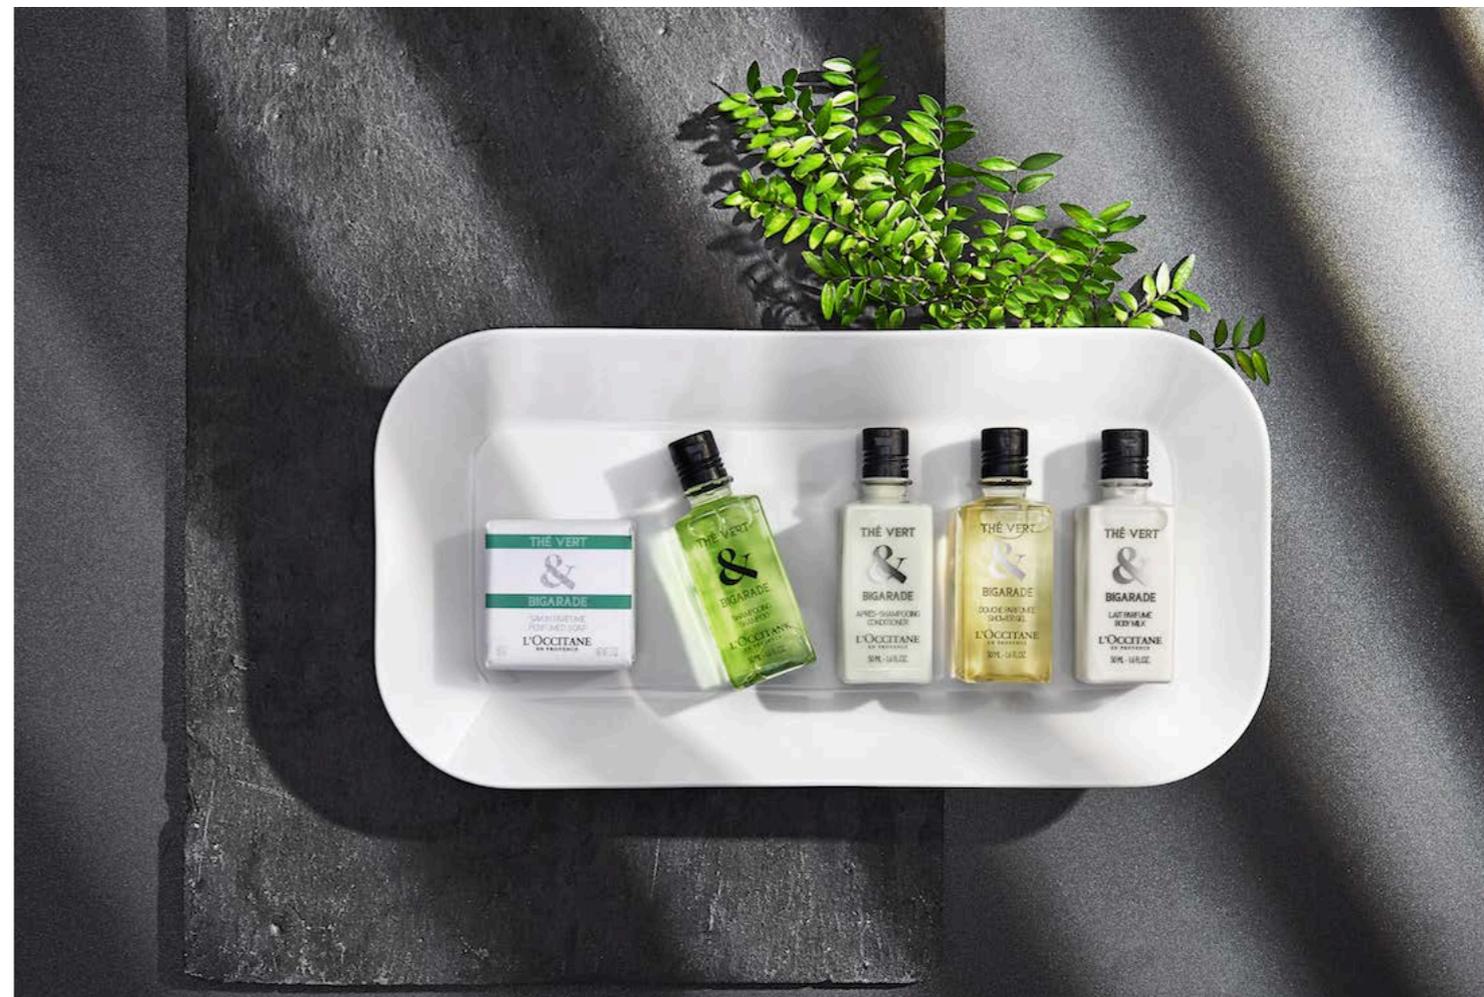

L'Occitane Verbena

In Corsica, to the south of Bastia, L'Occitane cultivates aromatic plants, extracting essential oils and floral waters. Twice a year, at the beginning of summer and in early autumn L'Occitane produces organic verbena extracts for this range. The fragrance has a subtle lemony nuance and a delicious and volatile freshness that energises yet calms and evokes the spirit of a beautiful summer's day.

L'Occitane The Vert & Bigarade

A lively encounter of aromatic and citrusy freshness. Sparking citrus notes burst forth in an accord of sweet and bitter orange while hints of green tea and yerba mate give a softening touch before the aromatic base.

L'Occitane Jasmin & Bergamote

The harmonious accord of the two ingredients fluctuates between petals and leaves, freshness and sensuality, day and night. Bergamot discreetly lights up the scent and retains a lingering presence, while the rare and delicate jasmine comes to life with luminous green facets.

Head notes: Mandarin Orange, Bergamot

Heart notes: Jasmin, Lemon leaves

Base notes: Sandalwood, Cedar

L'Occitane Aromachology

The extracts of essential oils from lavender, cade or angelica create the perfect base for this amazing range. Essential oils capture the effects of a plant in its highest concentration: adding or removing a single drop can make all the difference. The Aromachology range is a continuation of L'Occitane's original vocation to use natural essential oils. A range of products to both relax and revitalise the body and the mind. Ideal for the tired and weary, it truly captures the essence of L'Occitane.

L'Occitane Citrus Verbena

When summer arrives and the weather gets hotter, Verbena leaves are used to make herbal iced teas or tangy sorbets. This refreshing sensation is at the heart of the collection - a vibrant, radiant range to revive both the mind and the body. L'Occitane uses essential oil of Grapefruit, extracted by cold expression of the peel. This oil has antiseptic and softening properties. Grapefruit is also used for its toning and energising benefits. Citrus Verbena is the range that truly captures the essence of the Provence.

Eco Boutique

Eco Boutique has been designed exclusively with the most ethical and environmentally conscious luxury hotelier/yacht owner in mind. The delicate scent of mimosa is combined with extracts of organic green tea and natural aloe leaf to create formulations of exceptional quality that are both soothing and revitalising.

The elegant range of packaging is made from bottles that are 97% derived from post-consumer recycled plastic whilst the 98% natural soap is wrapped in paper acquired from a sustainable source.

Caudalie

Caudalie is a French cosmetics brand established in 1995 by Mathilde Thomas and her husband Bertrand in the heart of the Bordeaux region on the « Smith Haut Lafitte » estate.

This independent brand uses the benefits of ingredients obtained from grapes and the grapevine. Caudalie's products are natural, effective and glamorous. They are based on a model of natural science that follows a very strict charter, known as « Cosm'ethics. »

Since 2012, Caudalie has been a member of the « 1% for the Planet » association and therefore donates 1% of global company revenue to ecological and environmental protection associations throughout the world. The fragrance includes white rose, watermelon, pink peppercorn and an energising burst of citrus.

Courrèges

In 1961, André Courrèges founded his eponymous design brand. A few years later, he released a futuristic haute couture collection. The fashion world considered him a revolutionary for his white skirts, flat boots, and silvery materials. Courrèges made clothing for active women looking for functional designs. His flat boots, A-line mini-skirts, and vinyl jackets soon became icons.

Elegant chic and zesty, Eau de Courrèges elevates the original blend of citrus a frosty transparent fragrance exuding independence and freedom for all men and women.

Fragrance family is zesty aromatic, top notes include bergamot and lime, heart notes include lily of the valley, crushed mint and absinthe and the base notes contain patchouli, vetiver and moss.

Hermès Jardin Sur le Nil

Un Jardin sur le Nil is an impressionistic stroll through the island gardens on the Nile at Aswan, the starting point for a new olfactory adventure. Green mango, lotus, calamus and sycamore wood all lie at the heart of this refreshing ode.

Olfactory strolls through the different annual themes of the house, the Les Jardins fragrance attest to genuine encounters between the Hermès spirit, the soul of a place and the perfumer-composer.

Hermès Eau d'Orange Verte

A fragrance to refresh yourself - a stimulating harmony of bright and green freshness of orange combined with woody undertones created by the famous house of leather founded in 1837 that designs, develops and markets top quality products and fragrances to an elite group of clients.

Every Hermès creation tells a story, opens up an imaginary world. Both artisan and artist, Hermès demonstrates through its creations the excellence of its craftsmanship and style; audacious and harmonious, timeless and elegant.

This scent was created by Françoise Caron in 1979 and, inspired by the smell of undergrowth most with morning dew, Eau d'Orange Verte has since asserted itself as an emblem of Hermès, standing out by its distinctive freshness.

Ferragamo Tuscan Soul

Tuscan Soul is the collection of amenities in which the Italian brand Salvatore Ferragamo captures the essence of Tuscany's luxury. The line Bianco di Carrara contains a magnificent fragrance inspired by the most precious natural stone of Tuscany. A fresh aroma and at the same time warm, like the white marble bathed by the Mediterranean sun of Carrara. Pure. Elegant. Timeless.

Molton Brown

In 1973 Molton Brown opened at 58 South Molton Street in London's Mayfair as a hair salon. The salon's name paid homage to the location and the company set out to be unique from the start.

Over 4 decades later the scale is bigger but the same passion still flows through the veins of the company and inspires everything they do.

Acqua di Parma Colonia

Since the 1930's Acqua di Parma has been a symbol of Italian refinement, class and timeless elegance. Fashion and silver screen icons were among the first to recognise and enjoy the allure that seduces both men and women. Bright yellow boxes are the cornerstone to the prestigious Parma-based brand as are crest embossed labels and exquisite melanges of scents, all of which are dedicated to the care and pampering of the most discerning clients.

Acqua di Parma Arancia di Capri

The Collection is defined by the sophisticated notes of Blu Mediterraneo's original and iconic fragrance: Arancia di Capri.

Arancia di Capri is a relaxing fragrance created by Acqua di Parma. This fruity fragrance is characterised by bright and radiant top notes of orange, mandarin and lemon scents. At its heart, petit grain notes merge with intense cardamom aroma while the base of this fragrance is rounded off with a light touch of caramello and sensual notes of musk.

Acqua dell'Elba

A family run business with three partners, Fabio, Chiara and Marco.

A story which starts whilst sailing the Mediterranean Sea.

The passion for fragrances and one dream: to craft scents which evoke the magical essence of the sea.

Authentic like the sea that surrounds our island of Elba, where we were born and raised. We are interpreters of its poetry and we live everyday with our work. Each product is the result of a creative process and constant research, which takes shape thanks to our local knowledge, passion and artisan skills.

Acqua dell'Elba: Authentic, free from the superfluous, typical of those who love simplicity, clarity and beauty.

Jo Malone

An understated style, defined by an unconventional sense of sophistication. With taste that is rarified and a touch audacious, a timeless and elegance always infused with charming dash of wit and whimsy.

It is exactly these distinctly British qualities that are the heritage and heart of Jo Malone. Since its inception in 1994 the founder has created a handful of scents, and, revolutionary in their discerning simplicity, the brand has become a name internationally synonymous with all the is most coveted in luxurious British style.

Asprey

Ever since the house was founded in 1781, Asprey has continuously defined British luxury on the basis of its core values of quality, refinement and innovation.

A visit to the Asprey store on Bond Street immediately endows the visitor with a sense of heritage, reputation and authenticity. On site work shops house the expert craftsmen who are the creative soul of Asprey's luxury goods - the true masters of their art, creating objects for discerning clientele to treasure always.

Asprey is subtle luxury, never overstated, steeped in a strong heritage of charm and individuality. This is the Asprey spirit of invention and innovation and celebration of unique character and pioneering spirit.

Lalique

Since 1885 Crystal Lalique, the ultimate brand of French luxury has epitomised the brilliance of jewellery, the wonder of transparency and the depth of beauty of true crystal glass. In modern times this unique style has brought together a mix of wonderful sensations to produce an extraordinary line of guest toiletries. Bringing its unique sense of beauty and style to the bathroom, the Lalique range of toiletries embodies everything that Rene Lalique stood for all those years ago and it continues to thrive as a truly timeless lifestyle brand. The combination of invigorating Bergamot, soothing Ylang Ylang and grounding cedar wood will let your guests indulge their skin and senses.

Penhaligons Quercus & Blenheim Bouquet

Penhaligons' hotel toiletries are timeless classics, developed with an international audience in mind.

World-class products are presented in the Penhaligons signature bottle and are available in a selection of luxurious gender-free fragrances including Quercus and Blenheim Bouquet. The Penhaligons range is striking, contemporary and as English as Wimbledon and afternoon tea.

Penhaligons is proud to hold Royal Warrants from The Prince of Wales and the Duke of Edinburgh. These warrants are highly prized and regarded as demonstrating excellence and quality.

Amouage

The gift of kings niche luxury fragrance house from the sultanate of Oman inspired by the historical production of silver frankincense in Oman. Set to reflect that ancient culture, using only the finest ingredients from around the globe and developed by the world's best noses in Grasse. Invaluable experience, the House of Amouage has been developing fragrance for almost 30 years. Global reputation, Amouage has a stellar following around the world including royals, global leaders and some of the most celebrated names in film, TV, fashion, sport and music. Amouage has global presence whilst keeping distribution select. The range was created with spicy woody blends with notes of patchouli, frankincense and vetiver.

Bulgari Green Tea

Eau Parfumée au The Vert is Bvlgari's very first Eau de Cologne for men and women.

Both from the rich culture of tea, combined with the distinctively mediterranean notes of pepper and italian Bergamot, Eau Parfumée au The Vert imparts a distinct fresh fragrance. A vital expression of refined elegance, it awakens and refreshes the senses.

Bulgari Blue Tea

From its first notes of lavender oil diffuses a very natural blue and aromatic freshness. One immediately feels a sense of wellness. The unique signature of shiso leaves reinforces this feeling of purity. The heart is developed around a violet accord, then united with floral nuances, pink and aqueous that recall the fluidity of a fine oolong tea. The blue tea accord is finally revealed, delicate and deep, its many subtle facets characterised by fullness and harmony. In the final accord the lavishly flamboyant iris envelops the fragrance with richness and incomparable comfort enhanced by soft musks. With this creation our senses flee the everyday and tensions are unwound.

Kai

Beauty lies in the simplest and purest of things. kai was created by Gaye Straza who was inspired by the native flora she discovered whilst on holidays in Hawaii during her childhood.

In 1999 Gaye created a scent for herself that embodied the exotic white flowers she loved.

kai fragrance is a blend of white florals featuring gardenia, jasmine, tuberose and lily, with a hint of green to add fresh overtones.

The scent embodies the exotic floral blooms of a tropical paradise.

Christian Lacroix

Christian Lacroix's creations have been coveted and embraced by many great international fashion editors and stars, and has given the Couture House a heritage of unparalleled richness.

The Christian Lacroix brand is synonymous with timeless values, identified throughout its history by unrivalled creations and the guest toiletry lines strive to ensure that these qualities continue to embody all that is best in this extraordinary brand.

Azzaro Chrome

Dedicated to moments of authenticity and “joie de vivre”, Azzaro guest toiletries celebrate the values of sharing by paying homage to the unwavering bonds of families. They are unique relationships that will last a lifetime. Azzaro’s scent refreshes and illuminates and makes the skin feel the way the sun feels on the body after a splash in the sea, year after year. Noble ingredients include Bergamot, Transparent Musk and Mate.

Mugler Cologne

The “miraculous waters”, the origins of the colognes were the inspiration for this scent from Thierry Mugler. In his mind, Mugler envisioned a cologne of yesterday and tomorrow, familiar and innovative. An energising and fresh water by nature, sensual and tenacious, pleasing to both men and women. The scent belongs to the olfactory family “hesperides”- aromatic and develops with notes of Bergamot, Neroli, Petitgrain, Orange Blossom and White Musk. Pleasing and easy to wear at any time. An astonishing harmony between freshness and long-lasting, for an exhilarating sensuality.

The White Company Lime & Bay

This indulgent amenities range exudes timeless style and quality. Beautifully alluring, this perfect fusion of exotic mandarin, pink grapefruit, bergamot, orange, lime and lemon is laced with jasmine buds, lime blossom, ginger and crushed bay leaves finished with warming notes of patchouli.

The White Company Noir

The White Company was founded in 1993 by Chrissie Rucker who set up a mail order business after frustrated searches for good quality, yet affordable white linen for her own home. Chrissie's mission was to offer stylish white designer quality items for the home that were affordable to everyone. This striking fragrance range is presented with sleek black lines and contemporary features to create a truly luxurious experience. The fragrance Noir is the ultimate scent to relax and revitalise body and mind with notes of exotic amber, fresh mandarin and aromatic sandalwood.

The White Company Flowers

A contemporary highly desired brand offering affordable designer quality linen, clothing and home accessories. This hotel amenities range is beautifully fragranced with flowers, a perfect light and floral combination with notes of jasmine, rose and neroli. It is presented in a luxury, minimalist design to complement both contemporary and traditional interiors. Offered in flexible sizes to meet single night or longer stay guests.

Omnisens

Subtle alchemy of natural active ingredients, noble perfumes, bottles with clean lines, excellent care for smooth and precise gestures express the refinement of the brand that is distinguished by its simplicity, contemporary and timeless parisian elegance. The spa is inseparable from Omnisens Paris because it is the origin of its history during the creation of the brand in 2004. The sole aim is to offer the guests moments of absolute wellbeing, performance and relaxation. This is all reflected in this timeless guest toiletry line. Please note that this band uses authentic ingredients, 90% natural and paraben free, without mineral oil and artificial colouring. Dermalogically tested and not tested on animals.

Chopard Sparkling Indulgence

Inspired by Chopard's continuous quest for excellence, this Chopard guest collection was created with the inspiration of the eternal and universal attractiveness of sparkling diamonds, all shown through this distinctive design signature. The line combines premium formulations with a unique scent and elegant fragrance. Enter the world of wellbeing and luxury and fascinate your guests with this special body care line.

Chopard

Enter the world of well-being and indulge yourself with this stimulating bath care line. The fresh fragrance is enhanced with luxurious notes of citrus fruits, the flourishing bouquet of white flowers and surprisingly aromatic chords. A unique blend of precious ingredients such as jojoba oil or vitamin E will soothe all those seeking for beauty and invigoration.

Rituals - Treat

Rituals offers a unique and luxurious concept for hotels, yachts and villas. Whilst using these guest amenities, your clients will experience the 5 different rituals, all with their own unique stories and fragrance.

This line is EcoPure certified.

Rituals - Happy Buddha

The ritual of Happy Buddha is inspired by the ancient Chinese monk whose legendary smile brought happiness wherever he went. The uplifting fragrance is based on sweet orange and cedar wood and is designed to boost your mood.

There are 5 products available to compliment this amazing line.

Uriage Eau Thermale

Daily or seasonal, moisturising, anti-aging or repairing, each product this brand creates reproduces the outstanding benefits of Uriage Thermal Water regardless of age and skin concern.

As early as Antiquity, the Romans discovered the benefits of Uriage Thermal Water. The Thermal Center has been helping to treat patients affected with skin disease for almost 2 centuries.

Now, this amazing brand has created an exclusive line of guest toiletries for the most demanding clients worldwide. Formulas similar to those in their skincare with pamper, revitalise and hydrate skin and hair.

Keiji -Memory of Senses

This brand is an elegant aromatherapy line of oriental inspiration with an innovative design and top quality ingredients. Keiji hotel line is based on essential oils, enriched with natural plant extracts to stimulate the senses. Each product in the line has a different fragrance and different properties depending on which essential oil it contains. Well-being, serenity, protection, vitality and freshness to soothe the body are the main properties of the essential oils that have been specially selected for Keiji Memory of Senses.
