To All The Wonderful People We we Work With:

***“I’ve learned that people will forget what you said,
people will forget what you did,
but people will never forget how you made them feel”***

Maya Angelou

These words spoken by the famous author reflect the mission statement of Riviera Beauty Interiors - or feelings for the importance of giving great service, reasonable prices and truly caring how **you** will look in front of your owners or guests.

We would like to say “thank you” for all the wonderful individuals that have crossed our path in the last 15 years, so many of you have come back time and time again and continue to support and work with us, we are grateful and delighted to have been there for you and sincerely look forward to continuing our work in the future!

We wish you all a wonderful new decade and look forward to new adventures together!
