Doctor Babor

Babor Cleanformance

A Healthy Glow with DOCTOR BABOR CLEANFORMANCE

CLEANFORMANCE is DOCTOR BABOR's new clean cosmeceutical skincare line that blends clean beauty, plant-based ingredients and the powerful precision formulas of DOCTOR BABOR. Featuring prebiotics and probiotics, CLEANFORMANCE products help balance and restore the skin's microbiome for a vibrant, healthy-looking complexion. Sustainably sourced Red Maple Bark acts as a powerful antioxidant to improve skin's elasticity and resilience, while Phyto CBD fortifies skin with necessary fatty acids to hydrate and regenerate.

With our safe, high-performance, and cosmeceutical formulations BAVOR is committed to using ingredients that either directly benefit the health of your skin or support the integrity of their formulation.

CLEANFORMANCE combines BAVOR's commitment to transparency, sustainable production and packaging, and highly effective natural ingredients. Safe. Performance. Made in Germany.
