Hand Sanitising

L'occitane 65ml & 280ml Clean Hands Gel

Containing 69.4% alcohol, this leave-in hand wash gel with the sweet scent of verbena cleanses your hands without soap or water. When hand washing is not possible, such as when we are outside the home, using a no-rinse hand cleaning gel is an effective solution for ensuring good hand hygiene.

Usable without rinsing, our Verveine clean hand gels allow you to keep hands clean and soft while perfuming them with a slight scent of Verbena from Provence.

Zenology 70ml & 300ml Hand Sanitising Gel

Luxurious Rinse-Free Hand Gel with 70% alcohol reliably reduces microbial growth, cleanses and moisturises without the need for water or soap.

Formulated with gentle humectants Aloe Vera, Hempseed Oil and Vitamin B5, the Rinse-Free Hand Gel nourishes the skin and preserves moisture levels. Subtly fragranced with zesty, fresh Citrus Nobilis fragrance, the luxurious hand gel is gentle enough for sensitive skin whilst providing essential protection.

The Rinse-Free Hand Gel purifies and protects hands and is a sensory treat to use. It quickly absorbs, is non-sticky and leaves no trace just a softly lingering, pleasantly subtle uplifting fragrance.

100% post-consumer recycled PET bottle with BIO additive.
